QUALITÀ DAL 1975

Seducenti e raffinate proposte di arredo high profile che da sempre caratterizzano il mood della Griffe.
Una collezione all'insegna dell'eleganza, della bellezza e della qualità che definisce la ricchezza del più piccolo dettaglio: dal taglio dei rivestimenti alla cucitura; dalla produzione dei materiali all'assemblaggio finale, caparbiamente domati dalle mani e dal genio creativo dell'uomo. Impegno nella ricerca del lusso, costantemente rivolto all'innovazione nell'esecuzione e nella lavorazione del prodotto, sempre contraddistinto dal Made in Italy, sinonimo di qualità, buon gusto e tradizione. Modelli incantevoli, frutto di un' attenta indagine estetica e progettuale: preziosi nei materiali, sedicenti nella loro artigianalità, esclusivi nell'interpretazione delle nuove tendenze. La bellezza nasce dal desiderio di realizzare qualcosa che duri per sempre, attingendo dal passato per creare il futuro. Un profondo senso estetico dettato dalle forme, dai tessuti, dalle lavorazioni e dalla pura funzionalità del prodotto, che ci permette di immaginare e forse di sognare... ancora.

EPOQUE & CO: UN'AZIENDA DI CLASSE... "VERDE'
con orgoglio che ci presentiamo come azienda "Verde" che produce energia da almeno una fonte rinnovabile, sempre attenti al rispetto dell'ambiente e ad essere più competitivi sul mercato grazie anche al risparmio energetico. I nostri impianti fotovoltaici evitano di "bruciare" ogni anno 84 Barili di petrolio (13.350 Litri) e di immettere nell'atmosfera ben 87.000 Kg di CO2/anno. L'impianto fotovoltaico su tetto totalmente integrato, questo è l'ambizioso progetto che EPOQUE & CO, azienda leader nel settore dell'arredo, ha portato recentemente a termine nella sua sede di Altamura (BA). Un progetto che conferma e rafforza la sensibilità dell'azienda per le tematiche della sostenibilità ambientale, ultimo passo di un percorso "Verde".

Tempting and elegant furniture proposals high profile that has always characterized the mood of Designe. A collection of elegance, beauty and quality that defines the richness of the smallest detail, from the cutting of coverings to stitching, from material production to final assembly, stubbornly tamed by the hands and human creative genius.Commitment in the research of luxury, constantly focused on innovation in the execution and processing of the product, always marked by the Made in Italy, synonymous of quality, good taste and tradition Beautiful models, the result of careful investigation aesthetic and design: precious materials, exclusive interpretation of trends. The beauty comes from the desire to create something that will last forever, extrapolating from the past to create the future. A deep sense of aesthetics dictated by the forms, textiles, and from working from pure functionality of the product, which allows us to imagine and perhaps to dream... more.
EPOQUE & CO: A CLASS COMPANY.. "GREEN"
And with great pride that we present ourselves as a company "Green" that produces energy from at least a renewable source, always attentive to the environment and to be more competitive in the market thanks to the energy savings. Our photovoltaic avoid "burn" each year, 84 barrels of oil (13,350 liters) and enter the atmosphere 87,000 kg of CO2 for year. The photovoltaic roof fully integrated, this is an ambitious project that EPOQUE & CO, a leader in the furniture industry, has recently completed at its headquarters in Altamura (BA). A project that confirmsand reinforces the company's sensitivity to issues of environmental sustainability, the last step of a way "Green".

Обольстительное и изысканное предложение мебели высокого класса - постоянные характеристики марки EPOQUE. Коллекцию отличает элегантность, красота и качество, находящие воплощение в любой, даже самой маленькой детали: от кроя ткани до пошива, от производства материалов до финальной сборки, осуществляемой заботливыми руками и креативным гением человека. Непрерывное стремление к роскоши, всегда обращенное к инновациям в исполнении и обработке изделия, является отличительной чертой Made in Italy, ставшей синонимом качества, хорошего вкуса и традиции. Чарующие моделиплод - усердного поиска в области эстетики и дизайна: ценные материалы, захватывающие своей самобытностью и эксклюзивностью в интерпретации новых моделей.Красота рождается из желания творить нечто вечное, обращается к прошлому для созидания будущего.Глубинное эстетическое чувство, продиктованное формой, материалом, обработкой, простой функциональностью изделия, позволяет нам воображать и мечтать… снова и снова. EPOQUE & CO: ФабрикА "зелеНОГО" Класса. Мы гордимся тем, что являемся "зеленой" фабрикой, производящей электроэнергию из возобновляемого источника и со вниманием относящейся к состоянию окружающей среды. Экономия электроэнергии становится еще одним фактором, позволяющим нам быть более конкурентоспособными на рынке.Наши фотогальванические установки позволяют ежегодно экономить 84 барреля нефти (13.350 литров) и не выбрасывать в атмосферу более 87.000 кг углекислого газа. Установка на крыше фабрики интегрированной фотогальванической системы представляет собой амбициозный проект компании EPOQUE & CO, фабрики-лидера в области производства мебели, располагающейся в г. альтамура региона бари (италия). Данный проект подчеркивает трепетное отношение фабрики к проблеме состояния окружающей среды и является последним шагом на пути к "зеленым" технологиям.
